|| SHRI MANGUESH PRASANNA ||

**Dear Devotee,**

We, the Mahajans have profound faith in our Kuldev, **Lord Manguesh**. The temple of **Lord Manguesh** has a glorious history and as a sacrosanct duty, the Mahajans have contributed unreservedly and generously towards maintaining this magnificent temple. Needless to emphasize, the temple complex, its infrastructure and its facilities have outlived their life. Now, it is up to us, the Mahajans, to restore the glory and heritage of our Devasthan, for the future generations.

It is extremely vital that long-term requirements of the Devotees, Mahajans and other visitors are attended to. Therefore a Master Plan for the entire temple complex is being devised for a systematic and well planned development. The Master Plan will address the increasing pressure for accommodation space for the Mahajans. It will also address the issues of parking, road networks, planned shopping arcade and efficiently designed marriage halls. Emphasis in the Master Plan is being given to the "Prakar" (temple precincts) to make it more vibrant and functionally appropriate.

We intend to take up the Agarshala building and the re-development of Prakar, as Phase-I project. This project cost is estimated at Rs 10 crore. We with the blessings of **Lord Manguesh** approach you, dear Mahajan, with a fervent plea to come forward and donate generously to complete your temple project on schedule.

It would definitely be **Lord Manguesh's** desire and therefore our sincere endeavor to involve all Mahajans in the process of rebuilding our Mangheshi Temple complex ; and as such, innovative donation proposals have been formulated to suit each and every Mahajan .

• **Donation of Rs 11,000/- by each earning Mahajan.**

We humbly request **each** earning member of a Mahajan family to donate a modest amount of rupees eleven thousand. We further appeal to you, dear Mahajan, to network within your family and friends, to spread the word and assist collecting this reasonable amount.

• **Donation of Rs. 1,11,000/- & above.**

As a gratitude for contributing to the noble cause, the name of the Mahajan will be prominently displayed on the Donors list in the Mahajani Hall, for posterity.

• **Donation of Rs. 20 lakhs & above.**

To appreciate the magnanimity of this generous contribution, the Mahajan's name will be displayed, permanently, outside the special suite rooms. Additionally the Mahajan, will be allotted the said room for two days in a year i.e. on the occasion of *Magh-Poornima* during *Zatra* festival and one day prior during *Small Rath* till the year 2030.

*(Note that there are only 10 rooms which are to be allotted on first come, first serve basis)*

We would appreciate if you could kindly send us your donations by a demand draft or a crossed cheque in favour of *Shri Manguesh Devasthan* to be delivered at *Shri Manguesh Devasthan, Priol, Mardol, Goa. 403404.*
